COSO ERM Certificate

Distant Learning Program

The COSO ERM Certificate Program equips you to master the updated Enterprise Risk Management framework. Learn to integrate ERM with your organization's strategy to drive performance, earning up to 23 hours of CPE through e-learning and virtual sessions.

Participants

Team members who play a risk management role in entities of any size
Consultants who provide advisory services related to enterprise risk management
Board members who provide oversight of enterprise risk management

Prérequis

Pre-work : One self-study course that takes approximately 2 hours to complete
The goal of the online learning component is to provide to you with an introduction to key concepts of COSO's 2017 Enterprise Risk Management Integrating with Strategy and Performance and to allow you to begin thinking about the ERM Framework in the context of your own entity, which will prepare you for the group workshop. Examples are provided throughout the learning to illustrate the concepts presented.
You have to complete your registration 3 weeks before the session.

Objectifs pédagogiques

- **Analyse** the value of enterprise risk management when setting and carrying out strategy and objectives.
- **Apply** the integration of enterprise risk management with strategy and performance.
- **Demonstrate** familiarity with the concepts of the ERM Framework, including components and principles.
- **Apply** the concepts of the ERM Framework to a variety of situational examples.

Contenu

- ERM Framework Overview
 - Governance and culture
 - Strategy and objective-setting

Certificate and Digital Badge: You will receive a PDF certificate suitable for printing and framing and a digital badge that can be easily shared with your professional network

Moyens pédagogiques

Pre-work
E-learning content
Live sessions
Online exam

Modalités d'évaluation des acquis

Progress of learning and assessment of participants' achievements by the trainer throughout the training course: discussion time, practical work, training exercises, quizzes. An online satisfaction survey is conducted for each trainee. This assessment is supplemented by the trainer's evaluation at the end of each session.
