TAKE THE LEAD. BECOME A CERTIFIED INTERNAL AUDITOR.

The Certified Internal Auditor (CIA®) is the only globally accepted designation for internal auditors. It is the standard by which internal auditing professionals demonstrate their knowledge and competence to facilitate and manage today's complex internal audit responsibilities.

Whether you're looking to safeguard your career or enhance your internal audit skill set, CIA certification from The IIA can open a variety of doors. The global demand for experienced, professional internal auditors is growing, and individuals must set themselves apart from the rest.

NEW FOR 2013: THE 3-PART CIA EXAM.

The CIA exam is transitioning to a 3-Part exam starting July 1, 2013. The 4-Part CIA exam will be offered in English until December 31, 2013. For complete details about the new exam and transition planning tools, visit www.theiia.org/goto/CIA2013

According to The IIA's *2012 Internal Audit Compensation Study*, the median salary of auditors who hold their CIA designation is as much as 40 percent higher than peers without the credential.
